

Technical Data

Pressure sensor - discontinued

Pressure sensor

IMPORTANT: Pressure sensor is discontinued

| General | |
|------------------------|--|
| Auxiliary supply power | DC 10 (14)...30V |
| Housing | CrNi steel |
| Output signal | 4...20mA, 2-wire |
| Electrical connection | Angular connector DIN 175301-803 A, IP65 |
| Pressure connection | G 1/2 B |

| Absolute pressure | |
|-------------------|-----------------|
| Measuring range | 0.8 ... 1.2 bar |
| Unit | bar |
| Accuracy | 0.5% of span |
